Re: Yarbrough v. Lake Centerton Park Homeowners Association, Inc., et al.
Docket No. SLM-C-000017-26
Resubmission of Exhibit Volumes

To the Chancery Division:

The Division advised by telephone today that Exhibit Volumes 1 through 3, filed August 27, 2026 under JEDS EF-4432879, could not be uploaded to eCourts because of the page size and orientation of certain pages.

The exhibits have been rebuilt. Every page is now 8 1/2 by 11 inches, portrait. The oversized construction drawings appear as the full sheet reduced to fit, followed by enlarged segments of that same sheet, so that no part of a drawing is lost and none of it is illegible. Each volume is within the 7 MB per document limit.

The same 107 exhibits are now in eight volumes rather than three. The enclosed Exhibit List and Volume Map identifies every exhibit and the volume that contains it, and each volume opens with an index of the exhibits in it. No exhibit has been added, removed or changed.

These eight volumes replace Exhibit Volumes 1 through 3 in their entirety.

Respectfully,

Ronald W. Yarbrough
