Hi Rick,

Absolutely, for a call I have scattered availability this week if it's not too short notice. What about the following for a 1hr call? We can email back and forth directly to narrow it down if easiest.

- 3/19 8-10 or 1-3pm
- 3/20 8-12
- 3/24 - 1-3pm

For Allie and the rest of the group, lets hold 4/7 for a site visit. I can update everyone after the regulatory discussion.

Thanks!

Marc

Marc,

Thanks for looping me into the project. Do you mind if we schedule a Teams meeting first to go over things though, and then I can decide if it would be helpful to go out there with everyone? I'm very familiar with the site so it might be better to go over the proposed layout and topography with me on some plans and then we can discuss the regulatory process and any other questions you might have about the permitting, etc.

If that works for you, please let me know what dates and times are free.

Thanks,
Rick

Subject: [EXTERNAL] Centerton Dam Removal Site Visit

Hi All,

As part of our ongoing discussions around removal of Centerton Dam and potential acquisition, I wanted to loop in Richard Tamagno with NJ Dam Safety.

Richard, would it be beneficial for you to come out to see the structure in person and go over our removal plans/timeline? I also attached the conceptual removal plan for reference. Some dates I am available listed below.

- Friday March 20
- Wednesday March 25
- Thursday March 26
- Tuesday March 31

I will keep the rest of the group updated on the Centerton Rd bridge repair and how that might affect the dam removal timeline.

Thanks!

Marc
